Your preschool children will enjoy Cullen's telling of the Creation Story using a felt board for illustrations. This video could be watched at home with your children or even shared with a preschool aged group of children. If you are a preschool Sunday School teacher, then you might benefit from watching her example of storytelling. Don't miss [Cullen's other videos on YouTube](#).

Felt Board Creation Story for Preschoolers

In the video she walks the children through the first seven days, as told in Genesis chapter one. For each, there is an illustration and a brief explanation of what God made. Cullen has also posted several other [Christian songs for children](#) you might enjoy.
